

## GEMS World Academy-Dubai Grade 12 Final Exam Schedule

### General Information:

- Students will be off timetable from March 9-21 and will be given passes to enter and exit the school for their exams at the end of their first English exam.
- Students will return to classes on March 22 and 23 to review their exams in order to prepare for World Exams during and after Spring Break.
- The exam rooms are located on the third floor in rooms E309, 310, 314, 315.
- Morning exams (AM) will start promptly at 8:00.
- Afternoon exams (PM) will start promptly at 12:00.
- All GWA final exams will be considered by teachers when arriving at a student's best-fit grade. While the process is a mock of the World Exams, the exams themselves will play an important role in each student's GWA final grade.
- There will be days that involve a lot of exam writing and other days that are relatively light. This is reflective of the World Exams and experiencing this degree of rigour prior to May is an important part of the preparation process.
- All of the World Exam rules and regulations will be reviewed with students prior to exams and will apply, as much as is applicable, to the GWA Grade 12 Final Exams.
- As per our assessment policy, any absenteeism for illness will require a doctor's note.
- Students arriving late will only be permitted to quietly enter the exam room after all administrative tasks have been completed and instructions for the exam have been reviewed with the late student. No additional time will be given to students arriving late.
- With the exception of multiple choice exams, all Papers (including those written in-class) will have the usual 5 minutes of reading time prior to the start of the exam.
- Following Spring Break, students will be in school for two weeks of revision and World Exam preparation. The final day of formal classes prior to World Exams will be April 20. Teachers will be available for individual exam preparation assistance until the start of each World Exam.
- Final Grade 12 GWA reports will be sent on April 27<sup>th</sup>.

Course	Paper	Length of Exam	Date of Final Exam	Location
Chemistry SL/HL	1	SL: 45m HL: 1h	Sunday, February 26	In-class
